China Intl. Hardware Show 2010

Shanghai / China
28 – 30 September 2010

The Australian 'Hardware + Tool' Pavilion

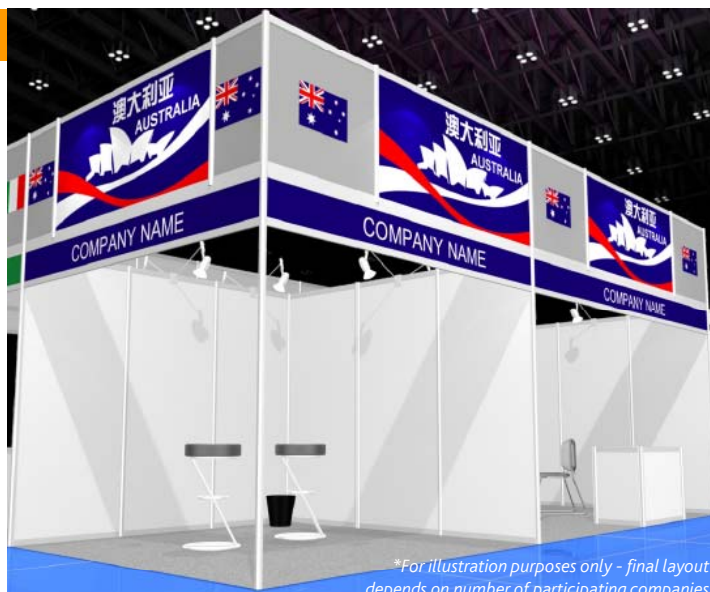

© Jose Manuel Celjoi

Fairlab, the Australian representative of **China International Hardware Show (CIHS) 2010** organiser Koelnmesse, is continuing its 2009 debut and stages a pavilion concept exclusively for Australian-made

Tools, DIY and Building Hardware, Security, Locks and Fittings products: Join us and exhibit amongst other Australian entities in a buzzing centre area at Asia's largest Hardware and Tool Show 2010.

Expand your sales into Asia by displaying your range within this ideally located **Australian-branded** pavilion and enjoy all advantages to be guided all your way up to the show with our affordable and competitive All-In-One Package.

Fairlab has up to ten spaces offered on a first-come, first-serve basis. Registration Deadline is 28 May 2010. The Australian Pavilion requires a minimum of three participating companies to proceed.

**For illustration purposes only - final layout depends on number of participating companies*

The Budget

The package includes standard shell scheme of nine or twelve sqm in the Australian 'Hardware + Tool' Pavilion + the following :

All-In-One Package from AUD 3,900.00

- 'Australian branded' Stand Structure and Design
- Furniture (1 table, 3 chairs, 1 lockable reception desk)
- Company Fascia incl. Logo
- 3 Spotlights
- 1 Power Socket
- Catalogue and Online Listing
- 3 Exhibitor Passes
- Joint Trade Show Press Release
- Project Management by Fairlab Pty Ltd

The package fee does not include additional furniture and rental of fittings that are not specified above. Participants must cover their own travel, accommodation, freights, meals and incidentals during this event. Fairlab can arrange cost effective travel packages for all exhibiting parties.

The Trade Show

China International Hardware Show is Asia's top trade fair for the entire hardware and DIY sectors. This unique trade show offers specialist traders and buyers from the industry sectors of Tools, DIY and Building Hardware, Security, Locks and Fittings with a comprehensive

range of products and services. Increasingly, European and American exhibitors from the hardware sectors are using this show as their gateway to markets in Asia.

Held over three days, CIHS registers more than 100,000 square metres. Around 2,000 renowned local and foreign exhibitors from a total of more than 20 countries participated in 2009.
