You Are Invited

An invitation is extended to all independent hardware, building materials and timber retailers in Western Australia. Each year Hardware & Building Traders holds a trade exhibition in conjunction with it's National Conference. In 2010 that conference is being held in Perth for the first time.

Normally the Exhibition is exclusive to members of Hardware & Building Traders, but this year all independent retailers are welcome. All you need to do to attend on a complimentary basis is to register your details with us by completing and returning the form on this page and then turn up on the day. Simple.
